

Bathroom Tips

FOR THE RIVER

Design by Tamsyn Gill

Great for removing limescale and mould

makes your toilet sparkle and removes stains

Use with a damp cloth to remove scummy staining

Return unused medicine to the Pharmacy

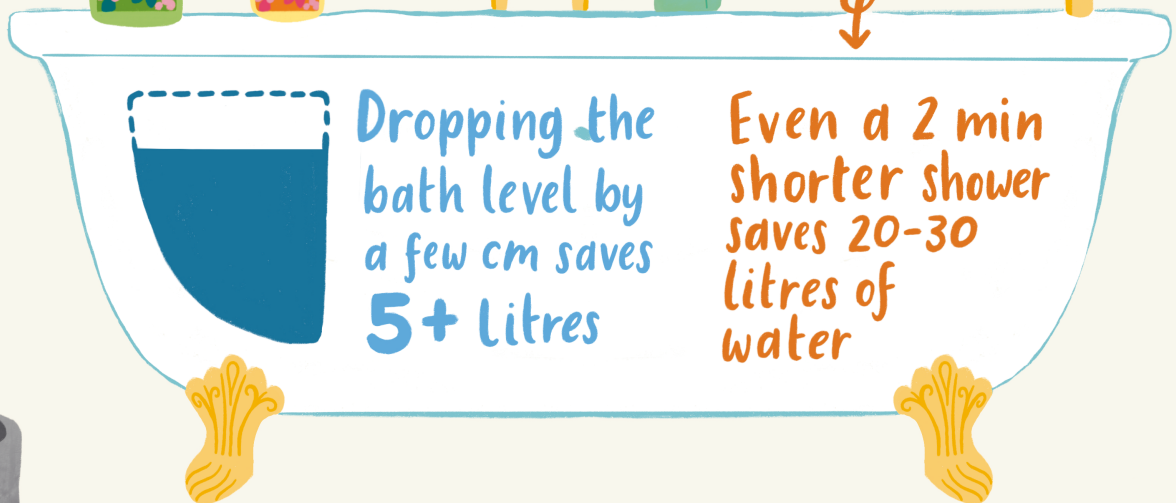

These products are best binned, not flushed:
Period products
Wet wipes
Floss
and Hair

Eco soaps, shampoos, and cleaners are kinder to skin and break down without harming rivers

The ideal shower time is FOUR minutes

Dropping the bath level by a few cm saves 5+ Litres

Even a 2 min shorter shower saves 20-30 litres of water

Shorter showers and shallower baths reduce pressure on drains and save you money
